Penny Lane New Riccarton store **ROCKS !!**

Thanks to everyone who has been supporting our great new shop at 104 Riccarton Road since it opened last month.

The store is really starting to create its own vibe and filling up fast - with a huge range of stock, masses of new releases and of course heaps of **CUSTOMERS!** (It's great to see some of our regulars are now checking out **ALL** our stores!) Thanks also to our great friends at the Sounds FM radio who supported our opening day.

New Releases Arriving Weekly

It's a particularly busy 'release' season at the moment with a huge number of new albums bursting onto the charts.

With Mumford and Sons touring New Zealand in November, their latest album "Babel" has not surprisingly rocketed out the door followed closely by their debut album "Sigh No More". Hottest Selling new releases at Penny Lane right now include the eagerly awaited album from Muse "The 2nd Law", Mark Knopfler's solo offering "Privateering" and the first of Green Day's new trilogy release "Uno".

Check out the [new releases](#) section of our website to see what's instore. Don't forget that with our weekly ordering from distributors in the US and world wide, if we don't have it in stock **WE CAN USUALLY GET IT FOR YOU !** pretty darn quick.
